Available from January 2027 | 6-month end-of-studies internship | Convention de stage from ESSCA

PROFILE

Final-year MiM student in Corporate Finance – Accounting and Finance at ESSCA Paris, seeking a 6-month FP&A, Financial Analyst or Corporate Finance internship from January 2027. Applying my coursework, I built two complete Excel finance models from public data (see portfolio): a driver-based forecasting model for Starbucks with scenario analysis, and an Airbus valuation using DCF, comparable company analysis and a football field. I learned to explain revenue and margin drivers, build forecasts and scenarios, and present results in KPI dashboards for management. Advanced Excel, Power BI; fluent English.

EDUCATION

ESSCA School of Management – Master in Management (MiM), Corporate Finance – Accounting and Finance ***2025 – 2027***

Key courses: Advanced Corporate Finance (Financial Modelling) · Advanced Management Control · Consolidated Accounts & IFRS · Quantitative Methods for Finance – topics incl. variance analysis and due diligence

Madras Christian College, Chennai, India – Bachelor of Business Administration (BBA) ***2022 – 2025***

FINANCE PROJECTS *(independent projects – public data)*

Starbucks – Driver-Based FP&A Forecasting Model (14-sheet Excel model) ***Jul 2026***

- **Three-statement model:** linked income statement, balance sheet and cash flow for 2026–2028 from 2023–2025 data.
- **Driver-based forecast:** projected revenue and costs from store growth, traffic, average ticket and wages.
- **Scenario analysis:** Base, Bull and Bear cases showing the impact on operating income and cash.
- **Reporting:** cash flow tied to the balance sheet, balancing every year with no plug, plus a KPI dashboard.

Airbus – Equity Research & Valuation Model (16-sheet Excel model) ***Aug 2026***

- **Segment forecast:** 3 segments to 2030 using growth rates based on deliveries and backlog, reconciled to group results.
- **DCF valuation:** FCFF model with a 7.30% WACC and 3.00% terminal growth.
- **Comparables & football field:** benchmarked against Boeing, RTX, Lockheed Martin and General Dynamics.
- **Recommendation:** €189.45 per share vs €198.40 market price (HOLD), shown in an executive dashboard.

PROFESSIONAL EXPERIENCE

HR Intern – KUN Capital (Ashok Leyland), Chennai, India ***Feb 2025 – Mar 2025***

- **Data management:** organised and maintained records for 100+ employees in Excel.
- **Payroll reporting:** coordinated compensation-data processing for 100+ employees.
- **Hiring tracking:** screened and tracked 50+ candidates through the hiring pipeline.
